396 Chair and Councillors' reports/suggestion (on the night)	
Cllr A Fisher suggested purchasing a pin badge for each councillor to wear at certain events, subject to the agreement of all councillors. Cllr A Fisher will obtain quotations, and the Clerk will also look into potential suppliers.  Cllr M Peachy reported that SCC have now released their draft report into the ancient public footpath that once ran between Pollards Lane and Weston Ditch, across fields and roughly parallel with Hurdle Drove. SCC officers believe that a public right of way does exist there, so have recommended to continue the process of potentially recording it, and a decision as to whether to move to the next stage, which would be issuing a legal order, will be taken at a SCC sub-committee meeting in the coming months. The exact timing is not yet known but they have a deadline of September for this decision. The Parish Council has made clear to SCC that although the return of a lost footpath would be welcome and would hopefully add a safe recreational walking route to the village, the route must be formally diverted before it could be reopened, as the original route would be detrimental to the present landowners. SCC, who also happen to be one of the affected landowners,	
have committed to working to achieve this, should it get that far.  Correspondence and exchange of additional information (at the discretion of
